

## 2011 Toby Baker ISSA Team Racing District Qualifier and SAISA Team Racing Championship Regatta Report

Race day one conditions were flat water, 6-9 knots. 6 teams completed two full round robins, fully umpired by Tom Rinda, Chief Umpire and Stephen Van Dyke. At the conclusion of racing Antilles School was undefeated with Tampa Jesuit giving a strong 7 win performance out of 10. Day two was reserved for Championship rounds with Day one scores selecting the four teams to compete, but not carrying over for the standings. Antilles, Tampa Jesuit, HB Plant and St Thomas Aquinas competed in three complete round robins. Again it was flat water, with breeze as high as twelve knots in the morning, but slightly less as the day progressed. Plant was first team to find the chink in Antilles' armor and St. Thomas Aquinas beat them in the last pairing, as well, but their seven win performance was dominant and secured them the first of two berths to Nationals in Norfolk. The other team with a winning record in the championship round, St. Thomas Aquinas from Fort Lauderdale, will advance to the Nationals. Peter Commette served as PRO this weekend and Are Friesecke served with him on the start boat. They provided numerous adjustments to the digital "N" course throughout the two day event, and started the 48<sup>th</sup> race of the event just two minutes before the allotted time ran out. The event was chaired by John Wright. Thanks to Ransom Everglades School and Lauderdale Yacht Club for providing the boats and equipment a special thanks to Bob McPherson whose TeamCom v.4.4 scoring program made easy work of the rotations, scoring and tie breaks. Special thanks to J.A. Booker, who was gracious enough to travel here and do the scoring on this program. The program is available for free download at [www.sail100.org](http://www.sail100.org). Additional thanks to: Tracy and David Williford for the use of their boat for the finish and to Lisa Friesecke for also staffing the finish boat, and to Holger Weis for the use of his boat for the chief umpire, and to Nancy and Holger Weis for providing breakfast. Thank you to Christopher Woolsey and the Gulfstream Sailing Club for the use of their facility, and to the City of Hollywood, Florida for allowing the event to use the beautiful Holland Park facility. And, finally to Tom Monkus for sharing the vision of what a great place this might be for hosting a team racing event.
