

INLAND NORTH POINTS 2
Concord Yacht Club
October 21/22, 2006

Seven two-division and two single-division teams registered for the second Inland North Points regatta, which was sponsored by the Concord Sailing Center's high school sailing program. With overnight temperatures in the mid-thirties, the first day of racing on Fort Loudon Lake saw chilly 10-12 mph winds out of the southeast drop to low single digits by mid-afternoon; at 4:30 the Race Committee, headed by Trey Forgety, suspended sailing with but 9 races sailed. Sunday morning the temperature had risen to the mid-forties by the start of racing and the wind blew 10-12 mph out of the northwest. The second day of racing saw the sixteenth race completed, trophies awarded, and sailors on the road home shortly after twelve o'clock. We had one redress for breakdown allowed, and all races were sailed on a modified windward-leeward course.

The first-place trophy went to Bearden High, second, to Lake Norman High, and third to Farragut High. In division A top honors went to Forsyth Country Day School's skipper Emilie Mademann and crew David Kerner; skipper Monica Kopp and crew Jamie Mendez of Walker Academy picked up second place. In Division B skipper Brad Milliken with crew Kenny Paradiso and Cam Herritt won first-place for Lake Norman High; and Ben Quigley with crew Andrew Jones and Chris Swanson placed second for Bearden High. A total of 43 sailors participated in the regatta. Wayne Cutler served as regatta chair.
