7. ELIGIBILITY

7.1 All 2006-07 member schools in the North division of SAISA are eligible. The regatta is a North Point Lower Coastal Regatta. Points will be awarded to Upper and Lower Coastal teams to qualify for participation in the North Points "Gold or Silver" regatta to determine qualifiers for the SAISA District Championship. *An Inland team may participate depending on boat availability or they may be required to bring their own boat. The Inland team will be scored in place similar to a JV team.* Once 12 schools have registered, each additional school seeking registration will be notified that their entry will be contingent upon their ability to bring their own 420 sailboat in good racing condition to add to the rotation, as limited by venue/RC constraints.

7.2 All teams must be members in good standing with SAISA. If a school wishes to participate, and has not yet paid the ISSA/SAISA dues, they will be provided the opportunity to pay dues at check-in.

7.3 Registrations for the event should be received no later than Friday, November 3, 2006 for Lower and Upper Coastal teams. Any boats remaining will be open to Inland teams or they may be required to bring a boat. Registration is on a first paid/ first allowed.

7.4 Competitors must attend the school they represent full time and must be in the 8th, 9th, 10th, 11th, or 12th grade, as of the date of the Regatta. If your school does not have sufficient sailors to form A & B division teams, we will attempt to “mix and match” sailors from different registered teams.

7.5 An adult school representative/advisor is required to accompany each team and be responsible for the conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members.

7.6 Depending on boat availability, eligible SAISA teams may enter both varsity and JV sailors (if the team membership is at 12 or more sailors); however only the varsity team score will be used to determine Championship Points. A JV team may also be entered only when pre-approved by SAISA. For JV team approval, contact Tom Monkus at (727) 821-9080. Boat priority will be given to non-JV teams.

8. SAILING INSTRUCTIONS

Sailing Instructions will be available upon check-in at SYC.

9. BOATS

Club 420's will be used and 12 will be provided by SSC. Personal safety equipment including US Coast Guard Type III PFDs must be furnished by the competitors. Bailers will not be provided.

10. RACING AREA

The racing area will be in the Wilmington and Skidaway Rivers.

11. DAMAGE

Damage that requires more than normal maintenance is considered a serious incident. If the Protest Committee determines that reasonable care was not used and resulted in damage one or both boats may be disqualified regardless of any alternative penalties already taken. In extreme cases, either or both boats may be excluded from the rest of the regatta and held financially responsible for the damages.

Lunches will be available for purchase at the Savannah Yacht Club.
