

Lower Coastal NP #3 Regatta Savannah 11/11/2006

Eleven Upper and Lower Coastal teams enjoyed a very competitive Lower Coastal NP #3 Regatta this weekend in Savannah. The regatta was hosted by Savannah Sailing Center and took place in the waters off of Savannah Yacht Club. We started out racing in a very light Northwesterly breeze. The first two A division races were in extremely light conditions with an initial AP (postponement). Winds shifted quite rapidly to a Southwesterly direction and then to a steady 10kt Southerly breeze. Winds increased as our day went on and we finished the regatta with 12-15 knots of breeze and lots of happy sailors. As the breeze increased so too did the current. The tide started ripping out in the early afternoon pushing everyone over the starting line. There were many OCS's and a few general recalls.

In all there were 8 out of 11 races completed. Sportsmanship was at an all time high. Sailors honored the rules of racing and there were only two protests during the regatta. The two protests were for redress on the OCS and were both denied. It was wonderful to see everyone following the rules and enjoying the event. I would like to mention that if there was a sportsmanship award this weekend it would go out to James Islands Kurt Hertel who was OCS in race #5. We missed the OCS in the scoring, and it was Kurt who came to us and pointed out that he was actually OCS that race. Sure enough when we looked at it he was right, we had miss input the result. I spoke with the James Island Coach and he said the coaches had encouraged Kurt to do the right thing and let us know we had recorded the score wrong. When he let us know he did not know if this would bump his team out of first place. Thanks for the great sportsmanship Kurt and congratulations to the James Island team who won the regatta by 21 points – Wow!! Only 10 points divided the next 4 places.
