

**SAISA Inland North Points 2 Regatta
Concord Yacht Club, Knoxville
September 22, 2007**

Five high school and two JV teams sailed the second Inland North Points regatta in very light air on a brilliantly sunny day on Knoxville's Fort Loudon Lake. Wind, such as it was, drifted from east to northeast and back favoring light crews with light-air skills. Each division sailed four races in between lengthy postponements. Webb School took top honors over all as well as firsts in both A and B divisions. Skippers Adri Kopp, Lauren Toppenberg, John Lindahl, Nick Petersen, Alicia Keener, and Kevin Wright all had bullets. Principal Race Office Trey Forgety and his committee of Concord Yacht Club sailors managed the races, four of which were run in 2 kts of wind over the first five hours of the regatta. To the relief of all, the last four races took less than two hours with winds "gusting" to 5 kts.
