

**SAISA Inland North Points 4 Regatta
Concord Yacht Club, Knoxville
October 20, 2007**

Seven high school teams and one JV sailed the fourth Inland North Points regatta in light 6 to 7 mph air on a brilliantly sunny day on Knoxville's Fort Loudon Lake. Wind from the west northwest to west shifted back and forth during the six hours required to sail three rotations, each division sailing six races. Farragut High School took top honors over all with a first in the A division and a second in B. When all authorized tie-breakers had been applied, skippers Jon Lindahl of Farragut and Adri Kopp of Webb School remained tied for first in the A division; Dillon Paiva took Leesville High School to first in the B division, with Evan Noon and Nick Petersen taking second. Principal Race Office Trey Forgety and his committee of Concord Yacht Club sailors ably managed the races, and the University of Tennessee sailing team flipped 72 burgers and grilled 30 hotdogs. —Wayne Cutler
