

SAISA INLAND NORTH POINTS 4 REGATTA

Lake Norman Yacht Club

February 20, 2010

Ten high school sailing teams competed in the fourth South Atlantic Interscholastic Sailing Association (SAISA) North Points regatta of the 2009/2010 season. PRO Bill Ross and Race Committee were able to get four sets of races completed in light in light conditions.

Racing on Saturday ended with three A Division teams tied for first place and second through sixth place in B Division separated by only four points. It was decided to address these issues on the water rather than the tiebreakers in the rules, so racing continued on Sunday. Unfortunately, the high-pressure system that caused the light conditions stayed around for Sunday's racing as well and the regatta ended up with the standings in place as they were on Saturday evening.

Congratulations to Lake Norman High School for finishing first overall followed by Porter Gaud in second place and Farragut in third place. Wando took first place in A Division on the second round of tiebreakers and Lake Norman and Wakefield finished tied for second place after four rounds of tiebreakers. Lake Norman finished in first place in B Division followed by Porter Gaud in second place and Green Hope in third place.

This regatta was the last inland regatta for the 2009/2010 season. Best wishes to all teams that are going to the Gold Regatta in March in Charleston.

A Division	1	2	3	4	Total	B Division	1	2	3	4	Total
Chapel Hill	5	5	6	5	21	Chapel Hill	6	5	3	3	17
