

GOLD REGATTA 2011
 SAVANNAH SAILING CENTER
 19/20 MARCH 2011

11:32 PM 5-4-01

REGATTA HIGHLIGHTS:

Gold Regatta started with the first two A division races in a very light westerly breeze. B division was sent out but towed back in after the wind completely died. Teams enjoyed time to socialize and meet the local area mascot the Savannah Sand Gnat until the breeze filled in at about 3:45. Racing commenced with B division and 8 races total were completed for the day. Sunday opened with a front produced 16-20 knt NE breeze which shifted and settled in at a more easterly direction. After having one team not show and another team retire from the competition the coaches met and decided to scrap the boat rotation so as to eliminate two boats from the rotation. Every team from race 7A forward stayed in the same boat and the remaining races were completed, 20 in all.

Congratulations to Richmond Hill High School who won the regatta. Going into the last race both Richmond Hill and Wando were tied with Bishop England only one point behind. Congrats to the 7 teams that qualified to advance on to the District Championship. Good Luck!
