REGATTA HIGHLIGHTS:

All sailors arrived for LC#2 Sunbury to temperatures a little chilly but not nearly as chilly as expected. Temperatures increased quickly to give us a sunny 70 degree day. Winds started out in a NNE direction at about 8 to 10 knots but pretty rapidly started moving right until they settled in from the ESE. As the shift to the right happened the velocity dropped to at times 6 to 8 knots only to build back up to 8-10 knots to finish the day. A total of 8 races were completed in each division, rounding out the day with a total of 16 races. There were 12 boats competing with several combined teams. Spectators and coaches enjoyed relaxing on the Brogdon dock, as rotations happened with the normal transport of sailors by power boat to and from the race course. Lunch was available for purchase, put together by the Richmond Hill Sailing Boosters. A complimentary continental breakfast was provided. Sailing was competed by 5pm with awards following boat and equipment stowage. There was only one protest heard at the end of the day.
