Competitors should expect numerous short races with boat rotations as set forth at the skipper's meeting. It shall be the goal of the race committee to complete one full round robin rotation of boats. Three races in each division must be completed to constitute an official regatta. All coaching, including instruction, assistance, equipment or sustenance shall be provided only on shore or on a designated vessel on the water.

4. Scoring

4.1 Low point system for individual races as modified by ISSA Rule 9. Ties will be resolved per procedural rule 11(c). Note that when the "team" is composed of 2 or more sailors from different schools the composite teams will be indicated on the results. Minimally the 1st – 3rd divisional & top 3 places will indicate the names of the sailors on the race results. Race highlights with results will be forwarded to SAISA for processing & points will be awarded to qualify for participation in the North Points "GOLD" regatta.

7. Eligibility

7.1 All 2010-11 member teams of the South Atlantic Interscholastic Sailing Association (SAISA) are welcome. The regatta is a North Points Lower Coastal Regatta. *Other SAISA teams may participate depending upon boat availability. That team may be scored in place similar to a JV team.*

7.2 All teams must be members in good standing with SAISA. If a team wishes to participate, and has not yet paid the ISSA/SAISA dues, they will be provided the opportunity to pay dues at check-in.

7.3 Registration for the event should be **received no later than Wednesday, February 23 for Lower and Upper Coastal teams, boats remaining will be open to other district teams.** Registration is on a first paid/first allowed basis. Registration will be **limited to a maximum of 12 teams.**

7.4 Competitors must attend the school they represent full time and must be in the 8th, 9th, 10th, 11th, or 12th grade, as of the date of the Regatta. If your team does not have sufficient sailors to form A & B division teams, we will attempt to "mix and match" sailors from different registered teams. A team lacking sufficient skippers to compete in both divisions of a two-

division point's event may register to sail in either A or B division and will be scored DNS for each race in the division in which they do not field a team. One-division teams will be scored in place, will be eligible for divisional honors, and will receive points according to their over-all place. Teams without skippers may attend points regattas and may register as 'present'; their sailors may be substituted in crew positions. 8th grade students attending a feeder school (a lower school zoned to attend a SAISA member high school) may sail in skipper and crew positions, and will be so identified in the results and Record of Participation (RP Form). Any team sailing 8th grade skippers will be scored in place, will be eligible for team and divisional awards, but will receive no more than one-half of a point for their participation in the Regatta.

7.5 An adult team representative/advisor is required to accompany each team and be responsible for their conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members.

7.6 Depending on boat availability, eligible SAISA teams may enter both varsity and JV sailors (if the team membership is at 12 or more sailors); however only the varsity team score will be used to determine Championship Points. A JV team may also be entered only when pre-approved by SAISA. For JV team approval, contact Tom Monkus at (727) 821-9080. Boat priority will be given to non-JV teams.

8. Sailing Instructions

Sailing instructions will be available at check-in.

9. Boats

Club 420's will be used, and 12 will be provided by the venue. **Priority** for boats will be given to **LOWER** and **UPPER** Coastal teams. Personal safety equipment including US Coast Guard Type III PFD's must be furnished by the competitors. Bailers will not be provided.

10. Racing Area

The racing area will be on the East Brunswick River.

11. Lunches

Lunches will be available for purchase on Saturday \$5.

12. Damage

Damage that requires more than normal maintenance is considered a serious incident. If the Regatta Chairman determines that reasonable care was not used and resulted in damage one or both boats may be disqualified regardless of any alternative penalties already taken. In extreme cases, either or both boats may be excluded from the rest of the regatta and held financially responsible for the damages.
