

SAISA 2010 Inland North Points 4 Regatta
Saturday, November 5, 2011
Hosted by the Carolina Sailing Foundation and
RTP Area High School Sailing
Lake Crabtree, Morrisville, North Carolina

Weather conditions were practically perfect for the SAISA INNP4 regatta at Lake Crabtree County Park, in Morrisville, NC. Temperatures started out cool, but with sunny skies they reached the mid 60s by the afternoon. The wind blew between 8 and 15 mph throughout the day, and 30-degree wind shifts throughout the races provided plenty of challenges for the racers. The general wind direction started out of the north in the morning, then clocked steadily to the northeast throughout the day. PRO Jay Smith and his race committee from the Carolina Sailing Club were able to orchestrate a complete round-robin of fourteen races.

Sailors from thirteen schools participated in the regatta. There were two full teams; one composite team comprised of sailors from two different schools; five single division teams; and two single division composite teams (each comprised of sailors from two different schools).

Lake Norman High School earned 1st place overall with Sarah Chambers and Allison Chenard sharing the helm in Division A, and Max Thompson as helmsmen in the B Division. The Green Hope High School/ Grace Christian composite team took 2nd place with skippers John Espenhahn in A Division, and Sulli Edwards in B Division, followed by 3rd place Wakefield High School (single division team) with Evan Renaud at the helm. Competition in the A Division was tight, with a single point difference between 1st place Wakefield High School and the 2nd place Leesville Road High School team, skippered by Cooper Paiva. In the B Division, Lake Norman High School took 1st, followed by the Durham Academy/Holly Springs High School composite team in 2nd, skippered by Zach Zwiieg-Vinegar.
