The Inland team will be scored in place similar to a JV team.*

If your school does not have sufficient sailors to form the necessary teams, we will attempt to "mix and match" sailors from different registered member schools. Note that 8th grade competitors may sail, but will be scored as a developmental team (0.5 pts.); the regatta will not count toward entry into the Gold championship.
- A team lacking sufficient skippers to compete in both divisions of a two-divisional point's event may register to sail in either A or B division and will be scored DNS for each race in the division in which they do not field a team. One-division teams will be scored in place, will be eligible for divisional honors, and will receive points according to their over-all place. Teams without skippers may attend point's regattas and may register as 'present'; their sailors may be substituted in crew positions.

The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members and have the ability to monitor his/her teams' experience in their proficiency to sail in varied conditions as may be encountered.
- 7.6 Depending on boat availability, eligible SAISA teams may enter both varsity and JV sailors (if the team membership is at 12 or more sailors); however only the varsity team score will be used to determine Championship Points. A JV team may also be entered only when pre-approved by SAISA. For JV team approval, contact Tom Monkus at (727) 821-9080. Boat priority will be given to non-JV teams.
