Competitors should expect numerous short races with boat rotations as set forth at the skipper's meeting. It shall be the goal of the race committee to complete one full round robin rotation of boats. Three races in each division must be completed to constitute a "fair" regatta. All coaching, including instruction, assistance, equipment or sustenance shall be provided only on shore or on a designated vessel on the water.

4. SCORING

4.1 Low point system for individual races as modified by ISSA Rule 9. Ties will be resolved per procedural rule 11(c). Note that when the "team" is composed of 2 or more sailors from different schools the composite teams will be indicated on the results. Minimally the 1st – 3rd divisional & top 3 places will indicate the names of the sailors on the race results. Race highlights with results will be forwarded to SAISA for processing & points will be awarded to qualify for participation in the North Points GOLD regatta to determine qualifiers for the SAISA District Championship. Final results include the regatta name, venue, date, highlights, and the divisional scores' summary for each school. Separate divisional itemization per race follows in order of the teams finish with the final score, additionally a section identifies both skippers & crew, their grade level with the races sailed (& footnoted identifying a composite team). The winning team is identified at the bottom listing sailors and crew sailed. The PRO & scorer submitting the highlights & results are both identified on the results.

4.2 Protests hearings, if any, may take place between races. We will attempt to post preliminary results in real time between races.

7. ELIGIBILITY

7.1 All 2011-2012 member teams of the South Atlantic Interscholastic Sailing Association (SAISA) are welcome. The regatta is a North Points Lower Coastal Regatta. *Other SAISA teams may participate depending upon boat availability. That team may be scored in place similar to a JV team.*

7.2 All teams must be members in good standing with SAISA. If a team wishes to participate, and has not yet paid the ISSA/SAISA dues, they will be provided the opportunity to pay dues at check-in.

7.3 Registrations should be received no later than Thursday, Feb 2, 2012, for Upper and Lower Coastal teams; boats remaining will be open to other district teams. Registration is on a first paid/first allowed basis. Every effort will be made to ensure every team that wants to participate will be able. However, this may include having to bring a boat with your team.

7.4 Competitors must attend the school they represent full time and must be in the 8-12 grades, as of the date of the regatta and must be listed on their ISSA/SAISA online team roster. If your school does not have sufficient sailors to form the necessary teams, we will attempt to "mix and match" sailors from different registered member schools. Note that 8th grade competitors may sail, but will be scored as a developmental team; the regatta will not count toward entry into the Gold regatta.

A team lacking sufficient skippers to compete in both divisions of a two-divisional point's event may register to sail in either A or B division and will be scored DNS for each race in the division in which they do not field a team. One-division teams will be scored in place, will be eligible for divisional honors, and will receive points according to their over-all place. Teams without skippers may attend point's regattas and may register as 'present'; their sailors may be substituted in crew positions.

7.5 An adult team representative/advisor is required to accompany each team and be responsible for their conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members. An adult school representative/advisor is required to accompany each team and be responsible for the conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members and have the ability to monitor his/her teams' experience in their proficiency to sail in varied conditions as may be encountered.

7.6 Depending on boat availability, eligible SAISA teams may enter both varsity and JV sailors (if the team membership is at 12 or more sailors); however only the varsity team score will be used to determine Championship Points. A JV team may also be entered only when pre-approved by SAISA and the venue. For JV team approval, contact LCDR R. Spencer. Boat priority will be given to non-JV teams.

8. SAILING INSTRUCTIONS

Sailing instructions will be available upon check-in.

9. BOATS

Twelve (12) Club 420's will be provided by the venue. **Priority** for boats will be given to **Upper** and **Lower** Coastal teams who register by **Thursday, 2 Feb 2012**.
