

South Points Number 3
 December 2, 2006
 Holland Park–North Lake, Hollywood Florida
 Hosted by Lauderdale Yacht Club

South Points # 3 was held in beautiful South Florida weather. Wind was out of the East South East at about 10-12 with a lot of puffs and shifts. Short, twice around, windward-leeward courses were set with a downwind finish. Competitors struggled to sail around the block to the course site because of unfavorable current, but were towed to get started. Everything seemed to go pretty smoothly, with a few minor breakdowns of some equipment. Lauderdale Yacht Club provided 10 boats (one privately owned) and Ransom Everglades provided 5 boats for the 13 teams and 2 JV teams that competed. Broward Teen News was on hand to film some of the racing and interview the competitors for a news broadcast on educational TV.

Burgers, hotdogs, red bull, bananas, iguanas, raccoons, an observation tower, porta-potties, and no-see-ums were part of the ambiance for this event. Awards were presented for top 3 in A and B division. Thanks to Peter and Connie Commette and Carr Moody for running the races and hearing the protests, and to Tom Monkus for help remembering the rules regarding scoring.

We look forward to any comments or suggestions for next year. We are interested in hosting a team racing scrimmage event for the spring. This would be a 2 day event and may include some college teams.

Best wishes,
 John E. Wright
 Regatta chairman
