I was stuck in the pavilion listening to the Click and Clack, the Gators, (and my brother) so all I know about the conditions is that it was pretty light air out of the south east to east. I heard Tom Lihan over the radio calling for a lot of mark drops from the race management crew. Thanks to all the schools who brought boats and to everyone for keeping the park neat (so we can use it again next year.) Thanks again to Chris Woolsey and the Gulfstream Sailing Club for loaning us their facility to store boats this week and to Martin and Jill Harris for making all of the logistical stuff happen. Tom Lihan did a great job as usual setting courses and Dana Lihan and Vicky Miller taking finishes. Protest Committee heard a few protests allowing one. Clyde Wright, Buzz Smith, Pat Ross, Maggie Wright and a cast of thousands provided food. Linda Wright and Jill Harris got the registration in order. Fleet Captain, Peter Commette reviewed the sailing instructions. John Payne provided the photography. Tom Monkus was there to make sure we didn't mess up too obviously. Twenty teams...phew!
