7. ELIGIBILITY

7.1 All current Member Schools of the South Atlantic Interscholastic Sailing Association (SAISA) are welcome. The regatta is a South Points Regatta. Points will be awarded to qualify for participation in the Mallory District Championship & Qualifier for ISSA fleet racing nationals for the Mallory Trophy.

7.2 All schools must be members in good standing with SAISA. If a school wishes to participate, and has not yet paid the ISSA/SAISA dues, they will be provided the opportunity to pay dues at check-in. *If a North Point school wishes to participate they may be required to provide their own 420. The NP school will be scored in place similar to a JV team.*

7.3 Registration is on a first paid/first allowed basis. Once **12 (twelve)** schools have registered, each school will be notified by the venue that their entry shall be contingent upon their ability to bring their own 420 sailboat to add to the rotation. The list of registrants will be posted on the Youth Sailing Program website (www.sarasotaysp.com) as registrations are received.

7.4 Competitors must attend the school they represent full time and must be in the 8th, 9th, 10th, 11th, or 12th grade, as of the date of the Regatta. If your school does not have sufficient sailors to form the necessary teams, we will attempt to "mix and match" sailors from different member schools.

7.5 An adult school representative/advisor is required to accompany each team and be responsible for their conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members.

7.6 Eligible SAISA schools may enter both varsity and JV teams, however only the varsity team score will be used to determine South Points. A JV team from eligible schools may also be entered only when pre-approved by SAISA. For JV team approval, contact Tom Monkus at (727) 821.9080. Depending on boat availability, each JV team may be responsible for providing their own 420; preference will be given to high schools with only one team. Rotation & placement may be optional per venue requirements.

8. SAILING INSTRUCTIONS

Sailing Instructions will be available upon check-in.

9. BOATS

Collegiate 420's will be used, and **12 (twelve)** will be provided by the venue. Personal safety equipment including US Coast Guard Type III PFDs must be furnished by the competitors. Bailers will not be provided.

10. RACING AREA

Racing will be on Sarasota Bay, directly off of City Island.

11. LUNCHESES

Plan to bring your own lunch. Bring water bottles. A water fountain will be available to refill.

12. DAMAGE

Damage that requires more than normal maintenance is considered a serious incident. If the Regatta Chairman determines that reasonable care was not used and resulted in damage one or both boats may be disqualified regardless of any alternative penalties already taken. In extreme cases, either or both boats may be excluded from the rest of the regatta and held financially responsible for the damages.

13. DIRECTIONS
