REGATTA HIGHLIGHTS:

Saturday's South Points regatta took place under sunny skies with winds from 18 to 20 knots. In all we managed 16 races, 8 in each of the A and B divisions. Starts were tight and the finishes close. Everyone seemed to handle the weather well but towards the end, tiredness crept in on the part of the competitors and the crash boats were kept busy handling capsizes. The crash crew were excellent, responding quickly to capsizes and breakdowns without prompting. Pin Crew did a great job keeping the pin positioned and course aligned.
