Registration Deadline: All participating teams must pre-register by Wednesday Oct 19 for this event. Contact Alan Jenkinson at alan@usscmc.org if you anticipate late registration.

7. ELIGIBILITY

7.1 All current Member school teams of the South Atlantic Interscholastic Sailing Association (SAISA) are welcome. The regatta is a South Points Regatta. Points will also be awarded to qualify for participation in the Mallory District Championship & Qualifier for ISSA fleet racing nationals, within the South Atlantic District. *If a North Point or Caribbean team wishes to participate they may be required to provide their own 420. These teams will be scored in place similar to a JV team. A NP Inland team will receive participation credit.*

7.2 All teams must be members in good standing with SAISA. If a team wishes to participate, and has not yet paid the ISSA/SAISA dues, they will be provided the opportunity to pay dues at check-in.

7.3 Registration is on a first paid/first allowed basis. Once 6 teams have registered, each team after the 6th will be notified by the venue that their entry shall be contingent upon their ability to bring their own 420 sailboat to add to the rotation.

7.4 Competitors must attend the school they represent full time and must be in the 8th, 9th, 10th, 11th, or 12th grade, as of the date of the Regatta. If your team does not have sufficient sailors to form the necessary A & B divisions, we will attempt to "mix and match" sailors from different member teams.

A team lacking sufficient skippers to compete in both divisions of a two-divisional point's event may register to sail in either A or B division and will be scored DNS for each race in the division in which they do not field a team. One-division teams will be scored in place, will be eligible for divisional honors, and will receive points according to their over-all place. Teams without skippers may attend point's regattas and may register as 'present'; their sailors may be substituted in crew positions.

7.5 An adult school representative/advisor is required to accompany each team and be responsible for their conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members and have the ability to monitor his/her teams' experience in their ability to sail in varied conditions as may be encountered.

7.6 An eligible SAISA team may enter a varsity and JV team (if the team membership is at 12 or more sailors); however only the varsity team score will be used to determine South Points. A JV team may be entered only when pre-approved by SAISA. For JV team approval, contact Tom Monkus at (727) 821.9080. Depending on boat availability, each JV team may be responsible for providing their own 420 (may or/may not be rotated through the fleet). Boat availability will be given to non-JV teams.

8. SAILING INSTRUCTIONS

Sailing Instructions will be available upon check-in.

9. BOATS

Collegiate 420's will be used, and 6 will be provided by the venue. Personal safety equipment including US Coast Guard Type III PFDs must be furnished by the competitors. Bailers will not be provided.

10. RACING AREA

Racing will be on the Indian River, east of the Sailing Center.

11. LUNCHES

Plan to bring your own snacks and **water**. There will be a hamburger and hotdog cook out from 11AM- 2 PM on Saturday free to all competitors and coaches. For all non-competitors a \$5 donation is suggested per person. Drinks are not included. Please bring a sufficient amount of water for the entire day.

12. DAMAGE

Damage that requires more than normal maintenance is considered a serious incident. If the Regatta Chairman determines that reasonable care was not used and resulted in damage one or both boats may be disqualified regardless of any alternative penalties already taken. In extreme cases, the skipper and crew of one or both boats may be excluded from the rest of the regatta and held financially responsible for the damages. Due to varied conditions that may be encountered, and the skill level of individual sailors and teams, it is the advisors decision to sail and participate and their Decision to Race.
