

# SOUTH POINTS #2 USSCMC 10/22/11

2:07 PM 10-25-11

## REGATTA HIGHLIGHTS:

*Saturday's South Points #2 regatta at US Sailing Center Martin County took place under sunny skies with winds initially from the northwest at 14 knots. In all we managed 12 races, 6 in each of the A and B divisions. Starts were tight and the finishes close. A large right shift mid-afternoon gave us a couple of recalled starts and a short delay while the course was reconfigured. Windward-leeward as well as triangle courses were used throughout the day with the race times getting shorter and tighter all day, even though a few breakdowns kept some teams scrambling to keep their crews on the course.*
