

SouthPoints 4 at Sarasota Youth Sailing.....12/4/11

Regatta Highlights:

South Points #4 took place on Saturday at Sarasota Youth Sailing with seventeen varsity and junior varsity schools competing. Racing began in partly cloudy skies which later turned blue by the end of the afternoon. Wind strength was in the 12-18mph range out of the east and had a tendency to be shifty as the stronger puffs came down the race course. Windward Leeward races were sailed twice around and races averaged about 15 minutes. All in all, it was a perfect day for high school sailing. Sarasota HS squeaked out a first in A division over Lakewood HS and Ft. Lauderdale HS. Plant HS was dominate in B division while Tamp Jesuit and St Thomas Aquinas were second and third. Overall, Plant HS was the winner of the day followed closely by Tampa Jesuit in second and St. Thomas Aquinas in third.
